or on a tray)

Skills Developed

- ✓ Fine motor skills
- ✓ Sensory exploration
- ✓ Hand-eye coordination
- ✓ Creativity & imagination
- ✓ Cause and effect
- ✓ Calming & focus

What You'll Need

- Foaming baby wash or dish soap
- Water
- Large tray, tub or sensory bin
- Cups and bowls
- Spoons or scoops
- Washcloths or sponges
- (Optional) Food colouring
- (Optional) Small toys or bath animals

How to Set Up

- 1 Pour a little foaming soap into your tray or tub.
- 2 Add water and stir or pour to create lots of bubbles!
- 3 Add a few drops of food colouring for extra fun.
- 4 Place the tray on a mat or outside.
- 5 Let your child dive in, explore, scoop and create!

Challenge Ideas

- ★ Find and rescue the hidden toys.
- ★ Fill and pour with different cups.
- ★ Make foam towers.
- ★ See who can make the biggest bubble mountain!
- ★ Pretend it's a bubble bath for the toys!

Chaos Tip

Add a little shaving cream for extra fluffy foam or freeze small toys in ice cubes and let your child rescue them from the bubbles!

Learning Through Play

While your child is having fun, they're also learning about:

- ✓ Textures & sensory input
- ✓ Volume & measurement
- ✓ Cause and effect
- ✓ Imagination & storytelling
- ✓ Independence & confidence

Safety First

- ✓ Always supervise children during water play.
- ✓ Use non-slip mats for wet areas.
- ✓ Use mild, non-toxic soap. Keep foam out of eyes and mouth.
