NATURE CRAFT IDEAS

Leaf Butterfly

Use colourful leaves and flowers to create a beautiful butterfly.

Flower Collage

Collect petals and leaves and glue them onto paper to make a pretty picture.

Nature Crown

Make a crown using small twigs, leaves and flowers.

Nature Mandala

Arrange leaves, flowers and stones in a circle or pattern.

Leaf Animal

Use leaves, twigs and stones to create fun animal shapes.

Nature Picture Frame

Use twigs, leaves and flowers to make a natural photo frame.

FUN TIPS:

- ✓ Go on a nature walk to collect your materials.
- ✓ Let the kids choose what they want to create.
- ✓ Use glue, tape or just place the items naturally.
- ✓ Take photos of their beautiful creations.

LEARNING THROUGH NATURE:

- ✓ Builds creativity and imagination
- ✓ Improves fine motor skills
- ✓ Encourages observation
- ✓ Connects kids with the natural world
- ✓ Boosts confidence

SAFETY FIRST:

- ✓ Use non-toxic materials.
- ✓ Supervise young children.
- ✓ Make sure nothing is too small to swallow.
