

Color Mixing Play!

Mix. Discover. Create!

A fun and messy (in the best way!) activity that introduces your little one to colours, combinations and creativity through hands-on play.

Watch colours come to life!

Recommended Age
2-5 years

Time
15-20 minutes

Mess Level

★★★★☆

Medium mess
(use a tray or cover the table)

Skills Developed

- ✓ Colour recognition
- ✓ Fine motor skills
- ✓ Problem-solving
- ✓ Creativity & imagination
- ✓ Cause and effect
- ✓ Concentration
- ✓ Confidence

What You'll Need

-  Washable paint (red, yellow, blue)
-  Paint palette or ice cube tray
-  Pipettes, droppers or spoons
-  Small cups of water
-  Paper for painting
-  Apron or old clothes
-  Tray or mat
-  Paper towels or wipes

How to Set Up

- 1 Set out your paint, palette and tools.
- 2 Show your child the primary colours: red, yellow and blue.
- 3 Encourage them to mix two colours together and see what happens!
- 4 Let them experiment and explore freely.
- 5 Use the mixed colours to paint a picture.
- 6 Talk about the new colours you create together.

Colour Mixing Ideas

-  +  = Red + Yellow = Orange
-  +  = Blue + Yellow = Green
-  +  = Red + Blue = Purple
-  +  +  = All 3 together = Brown

Chaos Tip

Let your child lead the way!
There's no right or wrong in colour mixing.
Embrace the mess and celebrate their discoveries!

Learning Through Play

While your child is having fun, they're also learning about:

- ✓ Colours and combinations
- ✓ Scientific thinking
- ✓ Observation
- ✓ Fine motor skills
- ✓ Creativity and expression
- ✓ Problem-solving

Safety First

- ✓ Always supervise children.
- ✓ Use non-toxic, washable paints.
- ✓ Avoid ingesting paint.
- ✓ Keep paint out of eyes.
- ✓ Wash hands after play.
