

Autumn Nature Crafts

Create. Explore. Learn.

Take a walk, collect some treasures, and turn them into beautiful autumn crafts! A simple, fun activity that sparks creativity and builds important skills.

Recommended Age
2–5 years

Time
20–30 minutes

Mess Level

☆☆☆☆☆

Low mess (best played outside or on a tray)

Skills Developed

- ✓ Fine motor skills
- ✓ Creativity & imagination
- ✓ Observation skills
- ✓ Sorting & categorising
- ✓ Concentration
- ✓ Problem-solving
- ✓ Connection with nature

What You'll Need

- Leaves
- Twigs
- Pinecones
- Acorns or seeds
- Flowers or petals
- Glue
- Paper or cardboard
- Crayons / markers
- Scissors (optional)

How to Set Up

- 1 Go on a nature walk and collect different autumn treasures.
- 2 Sort and explore your collection.
- 3 Lay out paper, glue and crafting supplies.
- 4 Create! Use the natural items to make pictures, collages, or patterns.
- 5 Talk about what you found and what you created.

Craft Ideas

- ★ Leaf animals (make a leaf owl, fox or fish)
- ★ Tree collage
- ★ Leaf people
- ★ Nature mandalas
- ★ Leaf rubbings (place leaf under paper and rub with a crayon)

Chaos Tip

There's no right or wrong way to create! Let your little one's imagination lead the way.

Learning Through Play

While your child is having fun, they're also learning about:

- ✓ Nature & the environment
- ✓ Textures & colours
- ✓ Patterns & shapes
- ✓ Fine motor control
- ✓ Creativity & self-expression

Safety First

- ✓ Always supervise children during craft activities.
- ✓ Check for allergies to any natural items.
- ✓ Use child-safe scissors if needed.

Share Your Creation

We'd love to see your little artist in action!
