FUN VALENTINE'S CRAFT IDEAS

Heart Handprint's Card

- Paint your child's hand and press it onto card.
- Add a sweet message and decorate with hearts.

Love Bug Craft

- Cut out a heart for the body and wings.
- Add googly eyes, pipe cleaner antennae and a smile.

Heart Suncatcher

- Cut a heart shape from clear contact paper.
- Stick small pieces of coloured tissue paper inside.

More Fun Ideas!

- Make a Valentine's Day love basket.
- Create heart-shaped butterfly wings.
- Decorate paper hearts with stickers and glitter.
- Make a "Love You" chain.
- Fingerprint heart art.
- Mini Valentine's Day crowns.

Valentine's Day Activity Fun

- Decorate a Valentine's Day card for a family member or friend.
- Make a "Kindness Heart" - write or draw something kind for someone special.
- Set up a heart hunt around the house or garden.
- Create a DIY Valentine's Day photo frame.

Easy Valentine's Crafts

Heart Wreath

- Cut heart shapes from coloured paper.
- Glue them in a circle to make a wreath.
- Add a ribbon to hang.

Heart Bookmark

- Cut heart shapes from card.
- Decorate with markers and stickers.
- Add a ribbon or string.

Valentine's Collage

- Give your child coloured paper scraps.
- Let them glue them onto a heart shape to create a collage.

CRAFTING TIPS:

- Use recycled materials where possible.
- Let your child's imagination shine - there are no wrong ideas!
- Keep it simple and fun.
- Make it a family craft time.
- Encourage your child to give their creations to someone special.

Safety First:

- Use non-toxic, child-safe materials.
- Supervise young children at all times.
- Keep small items away from little hands.
- Wash hands after crafting.

Little Hands Create Big Love!

Crafting together builds love, creativity and happy memories.

Happy Valentine's Day!
